Camp Philosophy

We believe in teaching each athlete the fundamentals of the sport of volleyball: Serving, Passing, Attacking, Defending, and Setting. We will provide each athlete the opportunity to practice these skills in a fun, safe, and non-judgmental environment.

Parental Permission

The medical insurance provided by MHS Sports Camps is in the form of a secondary coverage policy. This means that only those medical charges NOT covered by the family medical insurance will be covered by the camp policy. I authorize the adult camp staff to act for me according to their best judgement in a situation requiring medical attention for my child.
